

School Mission

At Marymount Catholic Primary School our mission is to promote an authentic Christianity embracing the person and vision of Jesus.

We are committed to working in partnership to provide a welcoming environment that values the uniqueness and dignity of everyone.

We are dedicated to the education of the whole person so that individuals recognise and embrace their role in building a better world.

School Enrolment

Marymount is an inclusive school with a population of over 1000 students.

Enrolment Application and Support Procedures are in place for children with high support needs to help reveal and clarify the respective requirements of the student, the family and the school; and the contribution each can make to the educative process.

Adjustment**

Introduction and Rationale

The Enrolment Application and Support Procedure (EASP) reflects the ongoing commitment of Brisbane Catholic Education (BCE) towards inclusive practices in schools and is guided by the principles of justice as reflected in Church, education, and legal areas.

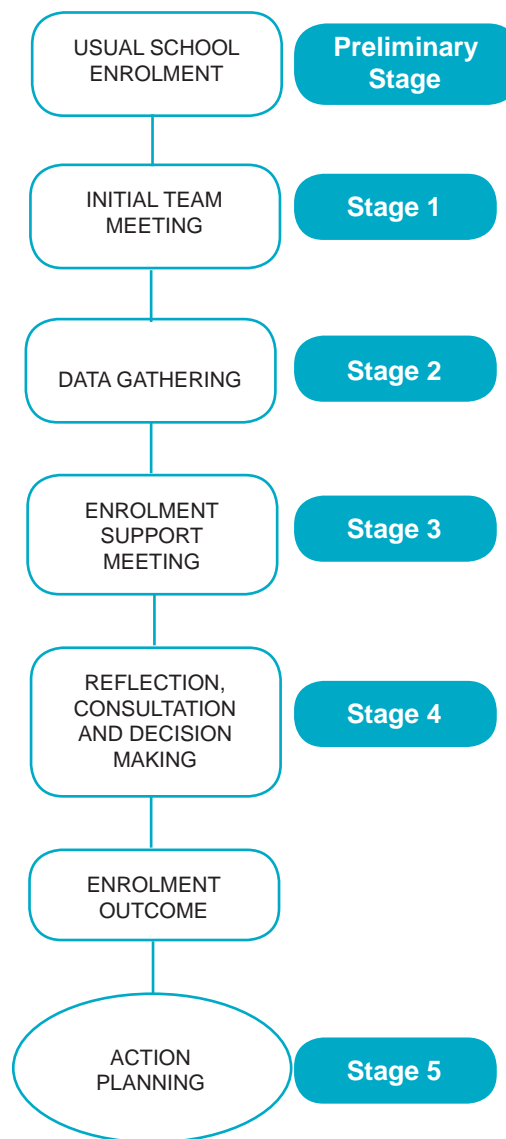

The consultation process seeks to reveal and clarify:

- The characteristics of the learner including impact of the disability
- The educational adjustments that are required for learning
- The implications of adjustments for the student, family and school

The EASP is to be applied for:

- **Initial** enrolment consideration: When application for enrolment is made on behalf of a student for whom it is considered likely that educational adjustments will be required to enable the student to participate in the curriculum and use facilities on the same basis as students without a disability
