School Mission

At Marymount Catholic Primary School our mission is to promote an authentic Christianity embracing the person and vision of Jesus.

We are committed to working in partnership to provide a welcoming environment that values the uniqueness and dignity of everyone.

We are dedicated to the education of the whole person so that individuals recognise and embrace their role in building a better world.

Marymount is an inclusive school with a population of 1048 students.

Enrolment Application and Support Procedures are in place for children with high support needs to help reveal and clarify the respective requirements of the student, the family and the school; and the contribution each can make to the educative process.

Brisbane Catholic Education Centre
Enrolment Application and Support Procedures for Students with Special Educational Needs
Introduction and Rationale

The Enrolment Application and Support Procedures for Students with Special Educational Needs operates within the Special Education Policy Statement for Brisbane Catholic Education schools. This policy statement, consistent with the Vision Statement and Strategic Renewal Framework 2002-2006, reflects the ongoing commitment of Brisbane Catholic Education to the incorporation of inclusive practice in schools and is guided by the principles of justice as reflected in Church educational and legal imperatives. The enrolment of a student with special educational needs is the concern of the whole school community within the church.

The Enrolment Application and Support Procedure is one that reveals and clarifies the respective requirements of the student, the family and the school; and the contribution each can make to the educative process.

A partnership approach is foundational to this process and leads to an appropriate response to the student’s educational needs. The enrolment application and support procedures are used when it is considered likely that special education provision will be needed to support a student’s initial enrolment and/or for ongoing service provision.
