

Dear Parents, Friends and Guardians

This week we welcome back Greg Casey who from all accounts has filled the role of Acting Area Supervisor in his usual professional and efficient manner. I believe it important to share and build skills through varied experiences, but on the other hand, in Greg's case, we are very pleased to have him back in his chair here at Marymount.

Staff News

Thanks to Deb Cronin (Yr 5) for taking on the role of Acting Assistant Principal over the last six weeks. Deb filled this role in an enthusiastic and thoughtful way. Deb has now moved back to her role as class teacher and we now welcome Maree Wright (Yr 6) to the Acting Assistant Principal position until the end of the year. We wish Maree best wishes as she adjusts to this new role.

Term 4 Sport

We are about to begin our Term 4 Intra-House sport competition for years five and six. The children will engage in a Round-Robin competition involving the following five sports:

- Volleyball
- European handball
- Touch
- T-ball
- Continuous cricket

We are very fortunate to be blessed with the warm weather we are beginning to enjoy, but please ensure children come to school with hats and water bottles and with sunscreen applied each day.

Fete

We are of course in top gear now with high hopes of a successful fete this Saturday. Please can we urge all families to remember to return Art Union tickets before then. This is an important matter and unlike other raffles we run from time to time, there are certain legislative requirements surrounding the Art Union. One requirement is that all tickets issued are accounted for. It is for this reason that the matter deserves urgent consideration and the immediate return of any outstanding booklets.

Parents and Friends AGM

This important meeting was postponed from last Monday to this coming Monday. It is to take place in the Staff Room beginning at 7:00pm. This association is a valued part of our school community and I encourage all parents to consider contributing by coming along to the monthly meetings and supporting the various endeavours organised by the association throughout the year. It is a great way to meet other parents and become well-informed of policies, practices and events pertaining to our school.

At the AGM our President will present her annual report and our audited books for this year will be tabled by our Treasurer. We will also set our annual P & F levy for next year and appoint our auditors for the next year. Following this, all of our executive positions will be declared vacant and nominations will be called for the four places listed below.

President – Facilitates the meeting, plans agenda with other executive & school personnel, attends Combined Schools Advisory Council with Parish representation for approximately six meetings per year

Vice-President – Assists the President and takes over in his/her absence

Treasurer – handles P&F accounts, presents Monthly Financial Statements, organises for payments & receipt of P&F levy, organises for yearly audit

Secretary – Handles inward & outward correspondence, takes meeting minutes & distributes them to school & website

Our AGM usually goes for about twenty minutes and we then follow it with our regular meeting which should be finished by 8.30pm. It would be great to see as many parents at this meeting as possible.

Leaving Marymount Primary at the End of this Year

If your children are not returning to Marymount Primary School in 2016 could you please let our office know either through a phone message (55 351 803) or via email on pburleigh@bne.catholic.edu.au. This of course does not apply for our Year 6 children who will be finishing their primary education at the end of this year. We have a number of families who are keen to enrol in our school and many of our classes are at near capacity. By letting us know now we are able to more effectively plan for classes, resourcing and staffing for the future. Thank you for your anticipated help with this matter.

At Staff Prayer yesterday, we farewelled one of our long-serving volunteers, Di Rolfe. Di has quietly come and gone over a period of 8 years helping children in the younger years with reading. She has given of herself in a true altruistic spirit never seeking recognition and at all times with the hope that her time with the children may make a difference. We will miss her gentle and kind ways but she leaves us with our very best wishes.

Enjoy the rest of the week

Medical All Stars

In readiness for 2016 all parents and caregivers of our Marymount Medical All Stars should have received current information and relevant forms for updating. We ask that you amend/update the information as required and return in the reply envelope provided by **Friday 23rd October**.

If your child's Action Plan does not require any changes, it can be kept for signing by your medical practitioner at your earliest convenience and then returned to the school.

Should you have any concerns or have not received this information, please feel free to contact me.

Many thanks
