

Dear Parents, Friends and Guardians

Welcome Back!!

On behalf of our school staff I would like to welcome all of our families to our school for the 2016 school year. We will have just under 150 new Prep children starting with us over the next few days as well as over 50 new families to our community in our other year levels. These will be exciting days for all of these children as I'm sure it will be for our continuing children and families. Marymount Primary School and our Marymount College have great reputations for providing a welcoming and caring Christian environment and it is our hope that this is what greets you all as you start the new year. We have a great deal happening at the moment around our school and some of these issues will present some challenges, but I believe that together we can work through these in order to ensure the safety and well-being of all here at our great schools. 2016 promises to be another fantastic year here at Marymount and I look forward to walking the journey with you all. Best wishes for the time ahead.

Newsletters and Communication for 2016

We will continue our practice of sending newsletters out each Wednesday for all families. The newsletter contains information on current happenings around the school often providing forward notice for things like parent meetings, P & F notices and date claimers for the coming term. It is important that parents check this regularly as a means of keeping up to date with our myriad activities and events. The newsletter will continue to be emailed to you and if you wish to have this happen please follow the prompts outlined later in this edition. Alternatively the newsletters, along with much broader information, can be found on our school's website at www.marymountprimary.qld.edu.au.

Welcome to New Staff

This year we welcome a number of new staff members to our school. Our full staff list will be published as an addendum to this newsletter. The new staff for this year are:

Tina O'Keefe
Acting Assistant Principal

Rebecca Lester
Prep Teacher

Kristie Podmore
Year 4 Teacher

Braydon Pearson
Year 2 Teacher

Kate Garwood
Prep School Officer

Carmel Muller
Administration Support
School Officer working in
Finance / Accounts department

We also welcome back Sophie Allen and Trudy McCabe. Sophie took last year off to teach overseas (mainly in England) and travel the continent. Sophie will join us in the Year 4 classes. Trudy will be a welcomed member of our Prep classes where she will again take on the role of a class School Officer. Our best wishes go with all of our new and returning staff members – I am sure that all in our community will make them feel very welcome.

Church Construction Commences

As parents would probably be aware, the construction of our new Burleigh Heads parish church has commenced. The area off Sunlight Drive has been sectioned off and the building contractors – Stokes Wheeler – have begun preliminary work on the site. The church, to be called Mary, Mother of Mercy, will take most of this year to build and it is hoped (all things going well) that it would be ready by Christmas. Our prayers and best wishes go to Fr Ken Howell, our Parish Priest, and the Burleigh Heads parish for a successful project. We will endeavour to provide updates of the progress of the build throughout the year.

Car Parking and Traffic Matters

Our new car park and set down / pick-up area is partially complete and it was open for use this morning. A huge thank you to you, our parents, for your patience and safety-awareness this morning – it was certainly appreciated. We will continue to monitor the usage of the parking space and how it is working. Tony Barron, our Assistant Principal, sent out an email on Monday afternoon with two flyers attached in regards to where you can and can't park and how to access the school grounds through the new set down area. It also outlines details for how to access our site for pedestrians if you are coming from the east now that Sunlight Drive is cut off. We have reprinted both documents and they are attached to this newsletter. I would ask that you please take the time to read through these and to familiarise yourself with them. It may also pay to discuss these issues with your children especially in regards to being on time at the Pick-up area in the afternoon.

Some key points from my time in the parking area this morning are:

- Parking in the new internal car park is for primary and college staff only; signage will come for this shortly.
- Please use the pedestrian crossings – half way along the new car park if coming from our temporary oval space and at the main entry point to the school.
- Prep & Year 1 parents will be able to access the temporary parking on the primary oval before school so that they can take their children in to classes. This space will also be open from 2.40pm each afternoon so that Prep & Year 1 parents can park here if they wish and walk up to pick up their children. You will receive a letter 'P' or a number '1' today from your class teacher so that these can be put on your dashboards to act as a parking permit of sorts.
- Parents of other class levels are asked to utilise the public car park area off Reedy Creek Road.

Again, I thank you for your patience with all of these matters, it is hoped that our systems will begin to work more fluidly as the next few days progress. Your patience and adherence to these matters is expected and greatly appreciated.

Thanks for reading this week – I hope that your Australia Day holiday was a good one for all.

Yours in Christ

Greg Casey

TUCKSHOP NEWS

The School Newsletter is produced each week and is a vital component of the channels of communication with parents. The newsletter is prepared each Wednesday for distribution to families. It is placed on the website on a Wednesday afternoon, or is sent via email (details below). Please note, should you require a hard copy of the newsletter, please speak with your child's teacher or contact student reception.

If you would like to receive your School Newsletter via email, please send a request to pburleigh@bne.catholic.edu.au to be added to the list.

If you would like to be removed from the newsletter email list, again, please send us an email to the above address.

Welcome Marymount Families!

I would like to introduce myself as the new tuck-shop manager. My name is Kerry Smith and I'm very happy to be here and cooking for your little munchkins! I'm a big believer in fresh, home made food and have put the menu together with this in mind. I welcome any feedback or suggestions.....I have children myself and understand the ins and outs of little ones taste buds! Be sure to jump online and register your family with our online canteen. Details are included with this newsletter.

Looking forward to happy tummys and happy times with you all!

Kerry Smith

Welcome to the 2016 School Year

A warm welcome to all our new and returning families for 2016. The first major liturgical feast we will celebrate is Ash Wednesday, falling in Week 3 on Wednesday 10 February. This will also launch one of our major fundraising focus events for the year- Project Compassion, which supports Caritas. The theme for this year is, 'Learning More, Creating Change'. Donations help bring renewed hope to the world's poorest people, empowering them to learn more and create change. Through supporting Project Compassion, together we work in solidarity with the world's poor to help end poverty, promote justice and uphold dignity. On Ash Wednesday, collection boxes will be sent home with students.

Pancake Tuesday/ Caritas

As our annual swimming carnival is being held on Shrove Tuesday, on Monday 8 February, students have the opportunity to enjoy pancakes. Order forms will be sent home next Monday and all orders need to be returned to the Primary Office by Thursday 4 February. Please don't send these forms to the tuckshop. We are cooking these fresh onsite at the staffroom Monday 8 February and would love to have help. If you can spare some time before 10am on this day, please contact me on 55208406 or leave your details at Parent Reception and I will call you. The money raised will support Caritas.

Assembly

At our weekly whole school assemblies held every Wednesday at 9am, we gather as an entire school community for prayer. Everyone is most welcome to attend. Next week 4M, Mrs Norton-Smith's class will lead us in prayer. The focus varies each week, ranging from major liturgical feasts and events to celebrations of class work from Religious Education. Most gatherings take place in the Doyle Centre but occasionally we meet in the Multi-purpose Centre.

Mary, Mother of Mercy

Work has begun on the new church and Parish Centre which will be situated at the top of Sunlight Drive. Archbishop Mark Coleridge has approved the name, 'Mary, Mother of Mercy'. The Archbishop wrote:

Mercy is a vision of possibility. It sees that much more is possible. In that sense, mercy is the mother of hope.

Father Ken, our pastoral leader states:

'Can the naming of our church, Mary, Mother of Mercy, help inspire us and our broader community to experience in their lives the mercy of God, so freely given to each and every human person.'

Laying of the Foundation Stone

On Sunday 6 March, the Apostolic Nuncio to Australia, Archbishop Adolfo Tito Yllana has been invited along with Archbishop Mark Coleridge to lay the foundation stone of Mary, Mother of Mercy Church. Archbishop Yllana is Pope Francis' representative in Australia. This promises to be a momentous occasion and it would be wonderful to see our Marymount community come and support this. More details will be published in future newsletters.

Ozanam Villa

Marymount Primary has had a long tradition of visiting the residents of Ozanam Villa Aged Care home in Burleigh. Throughout the year, students from various year levels visit the residents. The younger students share stories, read books and talk with the residents, while the older students participate in mass. Mrs Campbell and Mrs Weston's Year One class will be visiting Ozanam Villa on Wednesday 3 February.

God bless and have a wonderful week.

Maree Wright

From our Acting Assistant Principal
Tina O'Keefe

Hello Marymount!

I am thrilled to be working at your lovely school. Everyone has been very welcoming and friendly and I look forward to getting to know you all. I have previously been a classroom teacher at Guardian Angels Primary School in Ashmore for 15 years, as well as Acting Assistant Principal there over numerous times and for all of 2015. Before becoming a teacher, I worked as a Careers' Counsellor and as an Interpretation Ranger at Fleays Wildlife Park. Please introduce yourself if you see me and say hello.

Stay safe everyone and have a wonderful week.

BACK TO SCHOOL ROAD SAFETY MESSAGE

The Gold Coast Road Policing Unit will again be monitoring the Back to School campaign which commences Wednesday 27 January 2016. The Gold Coast Road policing Unit are seeking your help in again highlighting the following issues and complaints that we get each year. We like to see everyone safe in and around our schools and if parents could take note of the following and adhere to the road rules we can create a safe environment for all. We understand that this time of year sees new school children arriving at most schools and this is often an exciting and stressful time for both parents and students. Remember that by not adhering to the road rules you are placing both your own children and the children of others at risk of injury or worse.

1. Speed Limits

By now hopefully all parents are aware of the 40km/h speed limits during school times. Fines for exceeding the speed limit are as follows:

- Exceed speed limit in school zone by less than 13km/h \$157 1 Point
- at least 13km/h but not more than 20km/h \$235 3 Points
- more than 20km/h but not more than 30km/h \$392 4 Points
- more than 30km/h but not more than 40km/h \$549 6 Points
- more than 40km/h \$1,099 8 Points

2. Illegal parking

The most common parking complaints and offences

- Stop on children's crossing \$47
- Stop within 20m before or 10m after children's crossing \$47
- Stop contrary to 'NO STOPPING' sign \$47
- Stop contrary to 'NO PARKING' sign \$47
- Stop contrary to continuous yellow edge line \$47
- Stop unauthorised vehicle in bus zone \$47
- Double park \$47
- Stop across footpath \$47
- Stop across driveway \$47

3. Crossing

- Fail to stop at children's crossing when 'STOP' sign displayed \$353 3 Points

4. General Road Rules

- Driver fail to wear seatbelt \$353 3
- Driver drive with unrestrained passenger 16 years old or older \$353 3 Points
- Drive motor vehicle while passenger < 6 mths old unrestrained \$353 3 Points
- Drive motor vehicle while passenger at least 6 mths old but < 4 yrs old unrestrained \$353 3 Points
- Drive motor vehicle while passenger at least 4 yrs old but < 7 yrs old unrestrained \$353 3 Points
- Drive motor vehicle with more than one row of seats while passenger < 4 yrs in front Row \$353 3 Points
- Drive motor vehicle with more than one row of seats while passenger aged 4 years to < 7 yrs in front row and other seats not occupied by children aged < 7yrs \$353 3 Points
- Drive motor vehicle while passenger at least 7 yrs but < 16 yrs unrestrained \$353 3 Points
- Drive vehicle with passenger at least 7 yrs but < 16 yrs in same seat position as another passenger \$353 3 Points
- Driver use hand-held mobile phone \$353 3 Points

5. For those that have students driving to school

- P1 type holder fail to display legible red plate at rear of motorbike \$188 2
- P1 type holder fail to display legible red plates at front and rear of car \$188 2

Thanks again for your assistance in creating a safe road environment in and around schools and the Gold Coast in general.

New Drop-off/Pick Up Design – Major Implications

Dear Parents, Friends and Guardians,

The construction of the Western Drop-off/Pick-up Facility is the first of two facilities that by 2017 will resolve our Drop-off/Pick-up parking issues for the community. The second facility is an Eastern Drop-off /Pick-up & Parking Facility to be built in association with the construction of the new church to be completed by late 2016. The following arrangements apply from Wednesday 26 January 2016 until further notice. Numerical references are to notes on the attached facility map.

Peak 8:00-8:40am & 2:30pm-3:20pm

ALL TRAFFIC ENTERS THE SCHOOLS AT THE TRAFFIC LIGHTS at Kortum Drive/Reedy Creek Road School entrance (1), the only entrance to the schools.

NO CARS AT ALL IN THE BUS WAY (2). Traffic enforcement will apply.

NO DROP OFF OR PICK UP IN THE REEDY CREEK ROAD PUBLIC CAR PARK (3). You will experience significant delays as you try to exit as priority is given to traffic entering and leaving the new drop-off/pickup.

Consequently you will need to think about how you arrive at the traffic lights at the School entrance and also the best options for you as you exit. Access to the internal Primary School and College Administration Driveway (4), is closed during peak.

Set Down and Pick Up in front of the pool (4) and Primary School Administration building is illegal.

Specific Parking for Parents of Prep/Yr1 students (5) will be signposted just inside the school grounds, on the Primary oval. Parents who are permitted to access this parking will have a parking permit issued by the School (on 1st day of school) for display on their dashboard. Entry will be through the 1st car park at the south of the Staff Only car park (6) and exit through the 1st car park at the north (7), back into the queue.

DO NOT ARRIVE BEFORE 2:30PM as the 'Kiss & Go' queue will not be open until that time. Excessive queuing will clog the facility. Drivers should seek to avoid having to repeatedly go around because their child is not ready to board. Drivers should arrive when they are certain their child will be present at the 'Kiss & Go'.

Our teachers will be discussing this point with the children and encouraging them to go to the drop-off area as quickly as possible at the end of the day.

Closure of Sunlight Drive Access 2016 - Major Implications for Parents/Staff/Students

While we are delighted that after 17 years the construction of the new Parish church has finally begun, and our schools will have ideal parking drop-off/pick-up arrangements, there are major implications for vehicular access for parents and for pedestrian access for students, coming from the east.

Vehicular access to the College and Primary school is only possible at the traffic lights at the Kortum Drive/Reedy Creek Road/College entrance (1). All Parents/Staff & Students are asked to use the Drop-off /Pick-up & Parking Facility. This will have a compounding effect at peak times, so take note of the information provided above.

Pedestrians/Bike Riders coming from the east will need to walk/ride the Council pathway adjacent to the sound barrier on Reedy Creek Road to an access point to the Primary school behind the demountable buildings (Music & Nyunga).

Western Drop-off/Pick-up Facility – Information for Motorists & Passengers

For the safety of ALL passengers, drivers and their passengers in each car must be always mindful that the Drop-off zone has been constructed as a strictly 'Kiss & Go' area (8) where students enter or exit vehicles immediately **without the drivers exiting the cars**.

Drivers using the 'Kiss & Go' area (8) have 30 seconds to pick-up or drop-off their children. The child must be ready to exit the vehicle to the sidewalk immediately, with all they need to take with them. At pick-up, if the child is not ready or present, drivers will be asked to move on and re-join the queue, via the staff only car park (9).

All parents will receive a family nameplate, which is to be attached to the passenger side visor of the car. Staff will then be calling children to be ready as cars arrive at the 'Kiss & Go'

If parents need to exit the car for any reason, it is recommended that they park in the Reedy Creek Road Public car park (3) during peak times (and accept the consequent delay in making an exit from this area) or use the 'Kiss & Go' zone outside peak times. Priority for exiting will be given to traffic leaving the 'Kiss & Go' Area.

SAFETY MUST ALWAYS BE THE FIRST THING IN DRIVERS' MINDS. Impatient drivers attempting to advance in the queue to the exit will create hazards for pedestrians and other drivers, without much gain because the traffic lights (1) control the exit. Put safety first. Do not try to advance in the queue.

Motorists entering the Western Drop-off/Pick-up Facility will travel north, to a turning circle (10) that will bring them back to the 'Kiss & Go' Drop-off/Pick-up area at the Doyle Centre. There are two turning circles. At peak times, the most northern turning circle will be used to increase the queuing distance and minimise the possibility of traffic queues at the Reedy Creek Road traffic lights (1).

Suggestions

- Take the bus. Visit <http://www.surfside.com.au> for timetable information
- Carpool with family or friends
- Arrive before peak in the morning
- Arrive when you know your child will be ready in the afternoon - minimise queuing in the afternoon
- Arrive after peak in the afternoon
- Arrive from the west if practical
- Allow ample time for drop-off. If you are late when you arrive for drop-off, you are already late for wherever you need to be next – you can't make up time in the drop-off queue without risking the safety of others
- Allow ample time for pick-up. You can't make up time in the pick-up queue, without risking the safety of others

We appreciate that these arrangements will not necessarily be ideal and our staff are committed to do the best we can, as we manage and review arrangements. We rely on your goodwill and patience. Communication on this matter will be ongoing. Major changes will be signalled by SMS. Full details will be available on the Primary website and Facebook page. (www.marymountprimary.qld.edu.au & Facebook: Marymount Primary Burleigh)

Thanks for your time and anticipated assistance with these significant traffic changes.

Regards
