

MARYMOUNT PRIMARY SCHOOL NETWORK USAGE AGREEMENT

Last Name: _____ First Name: _____ Class: _____

- I understand that the school reserves the right to monitor all computing traffic. I agree to make available for inspection by personnel, any messages or files created, sent or received by me, my computing accounts on any school computer, or other computing accounts I may access while using school resources.
- I understand that Internet access and network resources are provided by the school to assist myself and other students in learning. Use of the resources offered is a privilege which will be taken away from me should I fail to comply with the conditions of use outlined here.
- I agree only to use Internet and network resources for educational purposes consistent with school approved curriculum activities.
- I will not attempt to degrade or disrupt network performance for any reason. I also understand that I may be asked to replace or repair any equipment that is deliberately damaged.
- I will not use the school's Internet and network resources to damage or affect my own work, files, folders or directories, or those of other users, with the intention of avoiding task deadlines or assessment items.
- I will not use the school's Internet and network resources, or other computer networks, to harass, intimidate, bully, embarrass or misrepresent any other Marymount individual.
- I will not attempt to use another student's username or password.
- I will not bring the name of Marymount or any person associated with Marymount into disrepute. This includes the use of any devices during, or outside of school hours. This includes the internet, email, or social media sites
- I understand that violation of these regulations may result in my Internet and network access privileges being revoked and school disciplinary action, which may include suspension, expulsion or legal action, may be taken against me.

As the parents or guardians of this student, I have read the guidelines for computer usage outlined on this page. I understand that the school's Internet and network usage is for educational purposes only. I recognise that, although the school uses up to date filtering software, it is impossible for the school to totally restrict access to controversial materials and I will not hold the school responsible for materials acquired from the Internet or network. I understand that I may be held accountable for inappropriate use of the Internet and network and for any damage caused by my child.
