Marymount Primary School

2027 Schedule of Fees, Levies and Charges

Enrolment Fees for New Students

- **Application Fee** – $50 (GST included), payment is required along with the enrolment application. This fee is non-refundable and is charged to cover administration costs.
- **Enrolment Deposit –** $250 (GST free) and is payable on acceptance of an offer of enrolment. The deposit is applied as a credit onto the account once the student has commenced at the school. If the enrolment is cancelled prior to the student commencing, the deposit is non-refundable.

FAMILIES WITH STUDENTS IN PRIMARY:

TUITION FEE	PER YEAR	PER TERM

CHARGES APPLICABLE TO ALL FAMILIES

PER FAMILY	**PER YEAR**	**PER TERM**
Capital Levy	$1136.00	$284.00
Parents & Friends Levy	$196.00	$49.00

Discount on Tuition and Levies

- A **$100** discount per family will be applied to the tuition fee when the full year's fees are paid in full during Term 1. Payments received after Term 1 will not be eligible for the discount
- **Capital Levy** – Combined Marymount Primary/College families receive a 50% discount on the Capital Levy.
- **Special Levy Parents & Friends** – Combined Marymount Primary/College families receive a 50% discount on the P&F Levy.

Explanation of Levies

- **Year 3 iPad Levy** – Students will be allocated an individual iPad for school-based learning. The iPad remains at school and will not progress with the student, instead will be wiped, and reallocated to the following Year 3 students over a three year period.
- **Year 4-6 iPad Levy** – Students pay an iPad levy starting from year 4 to year 6. They are allocated a new device at the start of the program, the total cost of the device, accessories and support is spilt across the 3 years to make the costs more manageable for families. If the account is paid in full by the end of November of the year the student graduates year 6, ownership of the device is transferred to the family.
- **Capital Levy** – this levy is required to meet the costs of the capital program and to service capital loans.
- **Parents and Friends Levy** – All funds collected are forwarded to the PFG to support annual student projects and fundraising acitivies.

Methods of Payment

- Agreed payment plan by direct debit, BPOINT or Centrepay
- Online by card via the Parent Portal
- EFTPOS via the school finance office
- Cash via the school finance office
- The school does NOT accept cheques

Concessions

- In cases of financial hardship an application may be made for a fee concession. Concession applications are accepted at the commencement of each year or at any point imitated by the family. Concessions are issued for a maximum period of 12 months within a calendar year. A new concession application will need to be made each school year. As concessions are not granted retrospectively, it is important that families make contact as soon as it becomes apparent there will be difficulty in paying the fee account.
- A compassionate and just approach under the mission and values of Brisbane Catholic Education and Marymount Primary School is used when reviewing applications. The same process is adopted by all Brisbane Catholic Education schools for assessing eligibility. All matters are dealt with on a confidential basis.
- Concessions if granted, apply to the tuition fee and capital levy only. All other applicable levies and charges are not offered at a discounted rate.

Overdue Accounts

- In fairness to families who pay their school fees regularly and on time, Marymount Primary School will follow up all overdue school fee accounts via phone, SMS and email.
- If failure to respond or make payment of the overdue account, the student's school issued device will be suspended and unable to operate outside of the school term and the account will be sent to our debt collection agency.
- If an extension is required, please contact the school finance office prior to the due date.
